Dear Senior Saints and Church Family,

You are a very special group of people. We were humbled Sunday night when so many of you came to honor us and provide such good treats. We were truly blessed. It has been an honor, privilege, and a **GREAT BLESSING** to serve as the Senior Saint's Co-Directors for the past fifteen years. We have enjoyed each event and fellowship we shared as we did the different activities.

Thank you for your support over the years and continue to give that same support to Carolyn Crew and Sandy Craft as they will be serving as the Senior Saint's Directors this year. Our church is blessed to have members such as you, always thinking of someone else and wanting to do good things for each other. We are blessed to be a part of Calvary.

Thank you for your love and support. Sincerely, Barbara and Richard Coburn

Information concerning all events will be shared in the bulletin and registration forms posted on the Senior Saint's bulletin board. In order to give all of our Calvary attendees ample time to register for events, registration forms will be placed on the bulletin board on Sunday afternoons following information being shared in the bulletin. Also, friends and family not attending Calvary are always welcome to go on trips, but we ask that you wait until one week before the deadline to sign them up if space is still available. Thank you for your cooperation.
